In the event that the information contained on the policy receipt is not the same as the information on the Application for Insurance, the original Application for Insurance as completed and submitted by you, shall be deemed as the factual information.

Your Application for Insurance must be received by us prior to your departure from Canada and submitted with the full and correct premium paid prior to your trip departure date. Extensions may be permitted. No coverage will be provided to anyone not named on the Application for Insurance and not shown on your policy receipt.

On any departure date, if: a) the full premium is not received; b) the cheque is not honoured; or, c) credit card charges are declined for any reason; your policy coverage will be voided and any claim incurred will be denied.

Any provision of this policy which is in conflict with any federal law or provincial or territorial law of your province or territory of residence is hereby amended to conform with the minimum requirements of that law, and all other provisions shall remain in full force and effect.
No statement made by you or any agent prior to or at the time of your Application for Insurance will be considered valid unless such statement has been acknowledged by us in writing at that time.

In the event of the total amount of the medical bills exceeding the maximum amount of insurance, we will pay all eligible expenses in the order in which the bills were received to the maximum of this policy.

In the event that the loss is the result of a motor vehicle incident causing injury, no eligible expenses will be paid under this policy until benefits available through any motor vehicle insurance have been exhausted.

If any benefits payable to you under this policy are in addition to similar benefits payable to you by any other insurer or insurance plan, total benefits paid to you by all insurers cannot exceed your actual total expenses. If you are covered under more than one of our policies, the total amount paid to you will not exceed your actual expenses and the maximum to which you are entitled is the largest amount specified for the benefit in any one of our policies. If other insurers, for which you have coverage, state they are secondary payors also, we will co-ordinate payment of benefits, up to 50% of eligible expenses which are available under this policy with all insurers which provide you benefits similar to those provided under this policy, up to a maximum of the largest amount specified by each insurer.

Any claim will be denied if, at all times during the 6-month period prior to your departure date and while you are covered under this policy, you do not act in a prudent manner so as to minimize costs to us.

Any legal proceedings with respect to your claim must be filed in your province or territory of residence within 1 year from the date of occurrence of the claim. If applicable law provides for a longer period, you must begin legal proceedings within the period provided by law.

The existence of a medical condition for the purposes of determining your eligibility or when reviewing a claim under any section of this policy will be established using the records and any other information provided by your physician(s) whether or not the contents of the records were made fully known to you before or after you incurred a claim under this policy. You must grant us access to any and all medical records in the event a medical claim has occurred. If you have
provided any false or misleading information or you have failed to disclose information regarding your health or lifestyle and after review of your medical records it is found that you were not eligible for this policy or you have selected the incorrect plan, your coverage under this policy will be voided, your premium will be refunded and no benefits will be paid for any claim.

Our liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount chosen by you on your application as set out on your policy receipt, less any applicable deductible(s) amount as shown on your policy receipt, for any loss or expense. We do not assume responsibility for the availability, quality, results or outcome of any treatment or service, or your failure to obtain any treatment or service covered under the terms of this policy.
