Failure to do so will result in a penalty where **You** will be responsible for 50% of any gross eligible expenses incurred or the maximum liability under this policy will be limited to \$25,000 should you select a maximum aggregate of \$50,000 or greater. **You** must call unless **Your** condition prevents **You** from doing so and in this case **You** must contact the **Company** as soon as medically possible or have someone call on **Your** behalf.

The payment to a medical provider by the **Company** for any eligible expense is at their option. In the event that they choose not to pay the medical facility directly, or the facility will not accept payment from the **Company** directly, they will reimburse **You** for any eligible expenses that **You** have paid provided that **You** provide a valid original receipt for such services, including original itemized bills, invoices and receipts. **You** will be required to pay **Your Deductible** (if any) directly to the provider at the time the claim is incurred.

Claim Documentation: Once **Your Emergency** is over, **You** must submit all claims to the **Company** within 90 days from the date of loss. Failure to furnish proof of claim within 90 days does not invalidate **Your** claim if proof is furnished as soon as reasonably possible and in no event later than 1 year from the date of loss. If applicable law provides for a longer period, **You** must submit **Your** claim within the longer period provided for by law. For **Your** claim to be valid, **You** must provide all of the documents that the **Company** requires to support **Your** claim. Failure to complete the required claim and authorization forms in full will delay the assessment of **Your** claim.

When submitting a claim, please include a brief explanation of the medical situation, e.g., how, where and when the loss, **Sickness** or **Injury** took place. Claims cannot be considered unless the claim form is fully completed and signed by the claimant or an authorized person and submitted along with all required documentation including original receipts. All documentation must be supplied free of expense to the **Company**.

If **You** have other coverage, **You** must first seek reimbursement for the insured services from such insurance plan or such policy and **You** may only submit a claim for reimbursement of insured services under this policy after the other insurer has assessed **Your** claim. In submitting a claim for reimbursement of insured services, **You** must provide the **Company** with the other insurer's written assessment of **Your** claim submission.

Claim Form: Call the **Company** for a claim form at 1-855-883-6479 or 416-467-4587 (collect). In the event that the **Company** pays any medical expense on **Your** behalf for which there is coverage through any other insurance plan, they have full rights to recover any amount due to **You**, with respect to these expenses.

Claim Inquiries: call 1-855-883-6479 or 416-467-4587 (collect) **within 24 hours of any medical or dental Treatment.**
